I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never raised me on (12)
But I feel like one	Sabbath!
Sometimes I sleep all day	I'm insane
Because I hate the sunlight	Well, I can feel it in my bones
My hands are always shaking	Coursing (13) my veins
Body's (1) aching	When did I become so cold?
And the dark is when I feed	For (14) sake
Well I can lure any woman that I (2) to	Where is my self control?
In my bed with me	If home is (15) my heart is
And whiskey (3) to be my holy water	Then my heart has lost all hope
Mothers better (4) your doors	God bless all of you now
And (5) your daughters	'Cause I'm going straight to hell
I'm insane	And I'm taking you (16) with me
Well, I can feel it in my bones	'Cause you (17) (18) well
Coursing through my veins	I'm insane
When did I become so cold?	Well, I can feel it in my bones
For (6) sake	Coursing through my veins
Where is my self-control?	When did I (19) so cold?
If (7) is where my (8) is	I'm insane
Then my heart has lost all hope	Well, I can feel it in my bones
Well I'm not a zombie	Coursing through my veins
But I feel (9) one today	When did I become so cold?
Self-induced comatose, chemical daze	For goodness sake
My head is always spinning	Where is my (20) control?
From this dizzy, blurry vision	If home is (21) my heart is
And my stomach has had enough	Then my (22) has lost all hope
l feel (10) a lady	All hope
That is pregnant with a baby	All hope
Cause I'm (11) throwing up
