I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never raised me on Black Sabbath
But I (1) like one	I'm insane
Sometimes I sleep all day	Well, I can feel it in my bones
Because I hate the sunlight	Coursing through my veins
My (2) are always shaking	When did I become so cold?
Body's (3) aching	For goodness sake
And the (4) is when I feed	Where is my self control?
Well I can lure any woman that I want to	If home is where my heart is
In my bed with me	Then my heart has lost all hope
And whiskey seems to be my holy water	God bless all of you now
Mothers (5) lock your doors	'Cause I'm going straight to hell
And (6) your daughters	And I'm taking you down with me
I'm insane	'Cause you know damn well
Well, I can feel it in my bones	I'm insane
Coursing through my veins	Well, I can feel it in my bones
When did I become so cold?	Coursing through my veins
For goodness sake	When did I become so cold?
Where is my self-control?	I'm insane
If home is where my heart is	Well, I can feel it in my bones
Then my heart has lost all hope	Coursing through my veins
Well I'm not a zombie	When did I become so cold?
But I feel like one today	For goodness sake
Self-induced comatose, chemical daze	Where is my self control?
My head is always spinning	If home is where my heart is
From this dizzy, (7) vision	Then my heart has (10) all hope
And my stomach has had enough	All hope
I feel like a lady	All hope
That is (8) with a baby	
'Cause I'm (9) throwing up
