

## Fill in the gaps

I dig my toes into the sand			I wish you were here		
The (1) (2	) like a	a	I wish you were here		
(3) diamonds			I (8)	you were	here
Strewn (4) a blueblanket			Wish you were here		
I lean against the wind					
Pretend that I am weightless			The world's a rollercoaster		
And in this moment I am happy			And I am not strapped in		
Нарру			Maybe I should hold with care		
I wish you were here			While my (9	)	are busy in the air saying
I wish you were here			I wish you were here		
I wish you were here			I wish you were		
I wish you were here			I wish you were here		
I lay my head into the sand			I wish you were here		
The sky (5)	a back-lit canopy		I wish you w	ere here	
Nith holes punched in it			Wish you were here		
I'm counting UFO's					
I (6) (7)	with my lighter				
And in this moment I am happy
