Dog Days Are Over by Florence + The Machine

Happiness nit ner (1) a train on a track	Happiness nit her like a bullet in the back
Coming towards her	Struck from a great height
Stuck still no turning back	By someone who should know better than that
She hid around corners and she hid under beds	The dog days are over
She (2) it with kisses and from it she fled	The dog days are done
With every bubble she sank with her drink	Can you hear the horses?
And washed it away down the kitchen sink	'Cause here they come
The dog (3) are over	Run fast for your mother
The dog days are done	Run fast for your father
The (4) are coming	Run for your children
So you better run	For (8) (9) and brothers
Run fast for (5) mother	Leave all your love and your longing behind
Run fast for your father	You can't carry it with you if you (10) to survive
Run for your children	The dog days are over
For your sisters and brothers	The dog days are done
Leave all your love and your longing behind	Can you hear the horses?
You can't (6) it with you if you want to survive	'Cause here they come
The dog days are over	The dog days are over
The dog days are done	The dog days are done
Can you (7) the horses?	The horses are coming
'Cause here they come	So you better run
And I never wanted anything from you
