Spectrum (Say My Name) by Florence + The Machine

When we (1)_____ (2)_____ here

We were cold and we were clear

With no colours on our skin

We were light and paper thin

And when we first came here

We were cold and we were clear

With no colours on our skin

Till we let the spectrum in

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

And when we come for you

We'll be dressed up all in blue

With the ocean in our arms

Kiss your eyes and (3)_____ your palms

And when it's time to pray

We'll be dressed up all in grey

With metal on our tongues and (4)_____ in our
lungs

Say my name

And (5)_____ (6)_____ illuminates

We are shining

And we will (7)_____ be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

And we are shining

And we will (8)_____ be afraid again

Say my name

As every (9)_____ illuminates

Say my name

As every color illuminates

We are shining

And we will (10)_____ be afraid again

We are shining

And we will never be afraid again
