## Rabbit Heart (Raise it Up) by Florence + The Machine

The looking glass, so (1) and new	Who is the lamb and who is the knife?
How quickly the glamour fades	Midas is king and he holds me so tight
I start spinning, slipping out of time	And turns me to (4) in the sunlight
Was that the wrong pill to take? (Raise it up)	Raise it up, raise it up
You made a deal	Raise it up, raise it up
And now it seems you have to offer up	And in the spring I shed my skin
(Raise it up, raise it up)	And it (5) (6) with the
Here I am, a rabbit hearted girl	(7) wind
Frozen in the headlights	The waters turn from (8) to red
It seems I've made the final sacrifice	As towards the sky I offer it
We raise it up	This is a gift, it comes with a price
This is a gift, it comes with a price	Who is the lamb and who is the knife?
Who is the lamb and who is the knife?	Midas is (9) and he holds me so tight
Midas is king and he holds me so tight	And turns me to gold in the sunlight
And turns me to gold in the sunlight	This is a gift, it comes with a price
I look around, but I can't find you (raise it up)	Who is the lamb and who is the knife?
If only I could see your face (raise it up)	Midas is king and he holds me so tight
Instead of rushing towards the skyline (raise it up)	And turns me to gold in the sunlight
I wish that I (2) (3) be brave	This is a gift, it comes with a price
I must become a lion hearted girl	Who is the lamb and who is the knife?
Ready for a fight	Midas is king and he holds me so tight
Before I make the final sacrifice	And turns me to gold in the sunlight
We raise it up	This is a gift
