	And I get to the place where I'm begging for a lift
I let the (1) in too soon	Or I'll drown in the wonders and the was
I don't know how to live (2) my hand on his	And I'll be your girl if you say it's a gift
throat	And you give me some more of your drugs
I fight him always and still	Yeah, I'll be your pet if you just tell me it's a gift
Oh, darling, it's so sweet, you think you know how crazy	Cuz I'm tired of whys, choking on whys,
How crazy I am	Just need a little because, because
You say you don't spook easy	I let the (6) in and then I even (7)
You won't go, but I know, and I pray (3) you will	forgiving him
Fast as you can, baby run, free yourself of me	But it's too soon
Fast as you can	So I'll fight again, again, again, again, again
I may be soft in your palm	And for a little while more I'll soar the uneven wind
But I'll soon grow hungry for a fight	Complain and blame the sterile land
And I will not let you win	But if you're getting any bright ideas, (8) dear
My pretty mouth will frame the phrases	I'm blooming within
That will disprove your (4) in man	Fast as you can, baby wait, watch me, I'll be out
So if you catch me trying to find my way into your heart	Fast as I can, (9) late but at least about
From under your skin	Fast as you can (10) me, let this thing run its
Fast as you can, baby scratch me out, (5) yourself	route
Fast as you can	Fast as you can
Fast as you can, baby scratch me out, free yourself	Fast as you can
Fast as you can	Fast as you can
Sometimes my mind don't shake and shift	Fast as you can
But most of the time, it does
