| And love is not the easy thing                     |
|--|
| The (1) baggage you can bring                      |
| And love is not the easy thing                     |
| The only baggage you can bring                     |
| Is all that you can't leave behind                 |
| And if the darkness is to keep us apart            |
| And if the daylight feels like it's a long way off |
| And if (2) heart should crack                      |
| And for a second you turn back                     |
| (Oh no)  |
| Be strong  |
| (Oh oh)  |
| Walk on, walk on                                   |
| You got they can't (4) it                          |
| No they can't even feel it                         |
| Walk on, walk on                                   |
| Stay safe tonight                                  |
| You're packing a suitcase for a place              |
| None of us has been                                |
| A place that has to be believed to be seen         |
| You could have flown away                          |
| A singing bird in an open cage                     |
| Who will only fly, only fly for freedom            |
| Walk on, walk on                                   |
| What you've got they can't deny it                 |
| Can't sell it, can't buy it                        |
| Walk on, (5) on                                    |

| Stay safe tonight             |  |

| And I know it aches           |  |
| And your heart it breaks      |  |
| And you can only take so much |  |
| Walk on                       |  |
| Walk on                       |  |
| Home, hard to know (6) it is  |  |
| If you've never had one       |  |
| Home, I can't say where it is |  |
| But I know I'm going home     |  |
| That's (7) the hurt is        |  |
| (8) it aches                  |  |
| How your heart it breaks      |  |
| And you can only take so much |  |
| Walk on                       |  |
| All that you fashion          |  |
| All that you make             |  |
| All (9) you build             |  |
| All that you break            |  |
| All that you measure          |  |
| All that you steal            |  |
| All this you can leave behind |  |
| All that you reason           |  |
| Leave it behind               |  |
|                               |  |
