

Baby slow down

Fill in the gaps

The end is not as fun as the start
Please stay a (1) somewhere in your hear
I'll give you everything you want
Except the thing that you want
You are the first one of your kind
And you feel like no-one before
You steal right under my door
And I kneel 'cos I want you some more
I want the lot of what you got
And I want nothing (2) you're not
Everywhere you go you shout it
You don't have to be shy about it
Some things you shouldn't get too good at
Like smiling, crying and celebrity
Some people got way too much confidence baby
Baby
I'll give you (3) you want
Except the thing (4) you want
You are the first one of your kind
And you feel like no-one before

You steal right under my door
kneel 'cos I want you some more
want the lot of what you got
And I want nothing that you're not
Everywhere you go you (5) it
You don't have to be shy about it, no
And you'll never be alone
Come on now show your soul
You've been keeping your (6) under control
Everywhere you go you shout it
You don't have to be shy about it
Everywhere you go you shout it
Oh my my
And you feel like no-one before
You steal right (7) my door
(8) 'cos I want you some more
want you (9) more, I want you some more
