

Kite (Live) by U2

Fill in the gaps

...

Something is about to give

I can feel it coming

I think I know what it is

I'm not afraid to die

I'm not afraid to live

And (1)_____ I'm flat on my back

I hope to feel like I did

'Cause hardness, it sets in

You need some protection

The thinner the skin

I want you to know

That you don't need me anymore

I want you to know

You don't need anyone, anything at all

Who's to say (2)_____ the wind will (3)_____ you

Who's to know what it is will break you

I don't know which way the wind will blow

Who's to know (4)_____ the time has come around

Don't wanna see you cry

I know that this is not goodbye

In (5)_____ I can (6)_____ the salt in the sea

There's a kite blowing out of control on a breeze

I wonder what's gonna (7)_____ to you

You wonder what has happened to me

I'm a man, I'm not a child

A man who sees

The shadow behind your eyes

Who's to say where the (8)_____ will take you

Who's to (9)_____ what it is will break you

I don't know where the wind will blow

Who's to know when the time has come around

I don't wanna see you cry

I know that this is not goodbye

Did I waste it?

Not so much I couldn't taste it

Life should be fragrant

Roof top to the basement

The last of the rock stars

When hip hop drove the big cars

In the time when new media

Was the big idea

That was the big idea

Big idea
