

## Fill in the gaps

Something is about to give		
I can feel it coming		
I think I know what it is		
I'm not afraid to die		
I'm not (1) to live		
And when I'm (2) on my back		
I hope to feel like I did		
'Cause hardness, it sets in		
You need some protection		
The (3) the skin		
I want you to know		
That you don't need me anymore		
I want you to know		
You don't need anyone, anything at all		
Who's to say where the wind will take you		
Who's to know what it is will break you		
I don't know which way the wind will blow		
Who's to know (4) the (5)	has	come
around		
Don't wanna see you cry		
I (6) that this is not goodbye		
In (7) I can taste the salt in the sea		
There's a kite blowing out of control on a breeze		

I wonder what's gonna happen to you

You wonder what has happened to me I'm a man, I'm not a child A man who sees The shadow behind your eyes Who's to say where the wind will take you Who's to know what it is will break you I don't know where the wind will blow Who's to know when the time has come around I don't (8)\_\_\_\_\_ see you cry I (9)\_\_\_\_ that this is not goodbye Did I waste it? Not so much I couldn't taste it Life should be fragrant Roof top to the basement The last of the rock stars When hip hop drove the big cars In the time when new media Was the big idea That was the big idea Big idea
