Don't believe what you hear	I can't let you go

What (4) t'your face of melting snow	(16) you down
Now it looks like this!	What are we going to do now (17) all been
And you can (5) or you can spit	said?
You can throw it up, or choke on it	No new ideas in the house, and every
And you can dream, so (6) out loud	(18) read
You know that your time is (7) round	And I must be an acrobat
So don't let the bastards (8) you down	To (20) like this and act like that
No, (9) makes sense, nothing	And you can dream, so dream out loud
(10) to fit	And you can find your own way out
I know you'd hit out if you only knew who to hit	And you can build, and I can will
And I'd join the movement	And you can call, I can't wait until
If there was one I could (11) in	You can (21) and you can seize
Yeah, (12) break bread and wine	In (22) (23) responsibilities
If there was a church I could receive in	And I can love, and I can love
'Cause I need it now	And I know that the tide is turning 'round
To take the cup	So don't let the (24) grind you down
To fill it up, to (13) it slow
