Catch Me (Acoustic) by Demi Lovato

Before I (1) too fast	Cause every hello know ends with a goodbye
Kiss me quick, but make it last	But you're so hypnotising
So I can see how badly this will (2) me	You've got me laughing (7) I sing
When you say goodbye	You've got me (8) in my sleep, (yeah
Keep it sweet, (3) it slow	And I can see this unraveling
Let the (4) pass and don't let go	Your love is where I'm falling
But tonight I could (5) too soon	But please don't catch me
Into this beautiful moonlight	So now you see why I'm scared
But you're so hypnotising	I can't open up my heart without a care
You got me laughing while I sing	So here I go, it's what I feel
You got me smiling in my sleep, (yeah)	And for the first time in my life I know it's real
And I can see this unraveling	But you're so hypnotising
Your love is where I'm falling	You've got me laughing while I sing
But please don't (6) me	You've got me smiling in my sleep, (yeah)
See this heart, won't settle down	And I can see (9) unraveling
Like a child running scared from a clown	Your love is where I'm falling
I'm terrified of what you'll do	But please don't catch me
My stomach screams just when I look at you	And if this is love, please don't break me
Run far away, so I can breath	I'm giving up so (10) catch me
Even though your far from suffocating me	
I can't set my hopes to high
