## Catch Me (Acoustic) by Demi Lovato

Before I fall too fast	Cause every hello know ends with a goodbye
Kiss me quick, but make it last	But you're so hypnotising
So I can see how (1) (2)	You've got me laughing while I sing
(3) hurt me	You've got me smiling in my sleep, (yeah)
When you say goodbye	And I can see this unraveling
Keep it sweet, keep it slow	Your love is where I'm falling
Let the future pass and don't let go	But please don't catch me
But (4) I could (5) too soon	So now you see why I'm scared
Into (6) beautiful moonlight	I can't (16) up my (17) without a care
But you're so hypnotising	So here I go, it's (18) I feel
You got me laughing (7) I sing	And for the (19) time in my life I (20)
You got me smiling in my sleep, (yeah)	it's real
And I can see (8) unraveling	But you're so hypnotising
Your (9) is (10) I'm falling	You've got me (21) while I sing
But please don't catch me	You've got me smiling in my sleep, (yeah)
See this heart, won't (11) down	And I can see (22) unraveling
Like a child running scared (12) a clown	Your love is where I'm falling
I'm (13) of what you'll do	But please don't (23) me
My stomach screams just when I (14) at you	And if this is love, please don't break me
Run far away, so I can breath	I'm giving up so (24) catch me
Even though your far from (15)	
me	
I can't set my hopes to high
