Catch Me (Acoustic) by Demi Lovato

Before I fall too fast	Cause (4) (5) know ends with a
Kiss me quick, but make it last	goodbye
So I can see how badly this will (1) me	But you're so hypnotising
When you say goodbye	You've got me laughing while I sing
Keep it sweet, keep it slow	You've got me smiling in my sleep, (yeah)
Let the future pass and don't let go	And I can see this unraveling
But tonight I could fall too soon	Your (6) is where I'm falling
Into this beautiful moonlight	But please don't catch me
But you're so hypnotising	So now you see why I'm scared
You got me laughing while I sing	I can't open up my heart (7) a care
You got me smiling in my sleep, (yeah)	So here I go, it's what I feel
And I can see this unraveling	And for the first time in my life I know it's real
Your love is where I'm falling	But you're so hypnotising
But please don't catch me	You've got me laughing (8) I sing
See this heart, won't (2) down	You've got me smiling in my sleep, (yeah)
Like a (3) running scared from a clown	And I can see (9) unraveling
I'm terrified of what you'll do	Your love is where I'm falling
My stomach screams just when I look at you	But please don't catch me
Run far away, so I can breath	And if this is love, please don't break me
Even though your far from suffocating me	I'm giving up so just catch me
I can't set my hopes to high
