

Fill in the gaps

I will not make the same (1) that you did	1 (6) It (7) to trust not only me, but
I will not let myself	everyone around me
Cause my heart so much misery	Because of you
I will not break the way you did,	I am afraid
You fell so hard	I watched you die
I've learned the hard way	I heard you cry every night in your sleep
To never let it get that far	I was so young
Because of you	You should have known (8) than to lean on
I never stray too far from the sidewalk	me
Because of you	You never thought of anyone else
I learned to (2) on the safe side so I don't get hurt	You just saw (9) pain
Because of you	And now I cry in the middle of the night
I find it hard to trust not only me, but everyone around me	For the same (10) thing
Because of you	Because of you
I am afraid	I never stray too far from the sidewalk
I lose my way	Because of you
And it's not too (3) before you point it out	I learned to play on the safe side so I don't get hurt
I cannot cry	Because of you
Because I know that's weakness in your eyes	I try my hardest just to forget everything
I'm forced to fake	Because of you
A smile, a laugh everyday of my life	I don't know how to let anyone else in
My heart can't (4) break	Because of you
When it wasn't even whole to start with	I'm ashamed of my life because it's empty
Because of you	Because of you
I never (5) too far from the sidewalk	I am afraid
Because of you	Because of you
I learned to play on the safe side so I don't get hurt	Because of you
