Even when the ones I love

Fill in the gaps

Washed By The Water by Needtobreathe

Daddy was a preacher	Turn around and crucity me
She was his wife	I won't never ever let you down
Just tryin' to make the world a little better	I won't fall, I won't fall
You know, shine a light	I won't fall as long as you're around me
People started talking	Even when the rain falls
Just to hear (1) own voice	Even when the flood (6) rising
Those people tried to accuse my father	Even when the storm comes
Saying he'd made the wrong choice	I am washed by the water
Though it (2) be painful	Even when the rain falls
You know (3) time will always tell	Even when the flood starts rising
Those people have long since gone	Even when the storm comes
My father never failed	I am washed by the water
Even when the rain falls	Even when the rain falls
Even when the flood starts rising	Even when the flood starts rising
Even when the storm comes	Even when the (7) comes
I am washed by the water	I am washed by the water
Even when the rain falls	Even when the rain falls
Even (4) the flood starts rising	Even when the (8) starts rising
Even (5) the storm comes	Even when the storm comes
I am washed by the water	I am washed by the water
Even when the earth crumbles under my feet
