

Fill in the gaps

Girl I see it in your (1) you're disappointed	But if you walk away
Cause I'm the foolish one	I know (8) fade
That you anointed with your heart	Cause there is nobody else
I tore it apart	It's gotta be you
And girl what a mess I made upon your innocence	Only you
And no woman in the world deserves this	It's gotta be you
But here I am asking you for one more chance	(Oh) Only you
Can we fall, one more time?	Oh girl, can we try one more, one more time?
Stop the tape and rewind	One more, one more
Oh and if you (2) away I know I'll fade	Can we try one more, one more time
Cause there is nobody else	I'll make it better
It's gotta be you	One more, one more
Only you	Can we try one more, one more
It's gotta be you	Can we try one more time to make it all better
(Oh) Only you	'Cause its (9) be you
Now girl I hear it in (3) voice and how it trembles	It's gotta be you
When you (4) to me I don't resemble, who I was	Only you
You've (5) had enough	Only you
And your actions speak (6) than words	It's (10) be you
And you're about to break from all you've heard	Only you
But don't be scared	It's gotta be you
I ain't going no where	Only you
I'll be here, by (7) side	
No more fears, no more crying
