

Fill in the gaps

Girl I see it in your eyes you're disappointed	But if you walk away
Cause I'm the foolish one	I know I'll fade
That you (1) (2) (3)	Cause there is (8) else
heart	It's gotta be you
I tore it apart	Only you
And girl (4) a mess I made upon your innocence	It's gotta be you
And no woman in the world deserves this	(Oh) Only you
But here I am asking you for one (5) chance	Oh girl, can we try one more, one more time?
Can we fall, one more time?	One more, one more
Stop the tape and rewind	Can we try one more, one more time
Oh and if you walk away I know I'll fade	I'll make it better
Cause there is nobody else	One more, one more
It's gotta be you	Can we try one more, one more
Only you	Can we try one more time to make it all better?
It's (6) be you	'Cause its gotta be you
(Oh) Only you	It's gotta be you
Now girl I hear it in your voice and how it trembles	Only you
When you speak to me I don't resemble, who I was	Only you
You've almost had enough	It's gotta be you
And your actions speak louder than words	Only you
And you're about to break from all you've heard	It's gotta be you
But don't be scared	Only you
I ain't going no where	
I'll be here, by your side	
No more fears, no (7) crying
