

Fill in the gaps

I'm tired of telling the story	I'm over you
Tired of telling it your way	Before you take my heart
Yeah I know (1) I saw I know	Reconsider
That I found the floor	Before you take my heart
Before you take my heart	Reconsider
Reconsider	I've (15) the door
Before you take my heart	I've opened the door
Reconsider	Here comes the summer's son
I've (2) the door	He (16) my skin
I've (3) the door	I (17) again
Here comes the summer's son	I'm over you
He (4) my skin	Here comes the winter's rain
I (5) again	To cleanse my skin
I'm (6) you	I (18) again
I thought I had a dream to hold	I'm (19) you
Maybe (7) has gone	
Your (8) out and	Here comes the summer's son
(10) me still	
But this feels so wrong	He burns my skin
Before you (11) my heart	I (20) again
Reconsider	I'm (21) you
Before you (12) my heart	
Reconsider	Here comes the winter's rain
I've opened the door	
I've opened the door	To cleanse my skin
Here (13) the summer's son	(I wake again)
He burns my skin	(I'm (22) you)
I ache again	
I'm over you	
Here comes the winter's rain	
To (14) my skin	
I wake again	

- 1. what
