

Fill in the gaps

Under the lights (1) we stand tall
Nobody (2) us at all
Showdown, shootout, spread fear within, without
We're gonna take what's ours to have
Spread the word throughout the land they say
The bad guys wear black
We're tagged and can't turn back
You see us comin'
And you all together run for cover
We're (3) over this town
Here we come reach for your gun
And you better listen well my friend, you see
It's been slow down below
Aimed at you we're the cowboys from hell
Deed is (4) again, we've won
Ain't talking no tall tales friend
'Cause high noon, your doom
Comin' for you we're the cowboys from hell
Pillage the village, trash the scene but
Better not take it out on me
'Cause a ghost town is found
Where your city used to be
So out of the darkness and into the light
Sparks fly everywhere in sight

from my double barrel, 12 gauge
Can't lock me in your cage
ou see us comin'
and you all together run for cover
Ve're taking over this town
lere we come reach for your gun
and you better listen well my friend, you see
s's been slow down below
nimed at you we're the cowboys from hell
Deed is done again, we've won
nin't talking no (5) tales friend 'cause
ligh noon, (6) doom
Comin' for you we're the cowboys from hell
lere we come reach for your gun
and you better listen well my friend, you see
s's been slow (7) below
nimed at you we're the cowboys from hell
Deed is (8) again, we've won
no tall tales friend 'cause
ligh noon, your doom
Coming for you we're the cowboys from hell
Step aside for the cowboys from hell!
