

Fill in the gaps

	From my double barrel, 12 gauge
Under the lights (1) we stand tall	Can't lock me in (10) cage
Nobody touches us at all	You see us comin'
Showdown, shootout, spread (2) within, without	And you all together run for cover
Ne're gonna take what's ours to have	We're taking over this town
Spread the word throughout the land they say	Here we (11) (12) for your gun
The bad guys wear black	And you better (13) well my friend, you see
We're tagged and can't turn back	It's been slow (14) below
You see us comin'	Aimed at you we're the cowboys from hell
And you all together run for cover	Deed is (15) again, we've won
We're taking over this town	Ain't (16) no tall tales friend 'cause
Here we come reach for your gun	High noon, (17) doom
And you better (3) well my friend, you see	Comin' for you we're the (18) from hell
t's been slow (4) below	
Aimed at you we're the cowboys from hell	Here we come (19) for (20) gun
Deed is done again, we've won	And you better listen well my friend, you see
Ain't talking no (5) tales friend	It's been slow down below
Cause (6) noon, (7) doom	Aimed at you we're the cowboys (21) hell
Comin' for you we're the cowboys (8) hell	Deed is done again, we've won
	Ain't (22) no (23) tales friend
Pillage the village, trash the scene but	'cause
Better not take it out on me	High noon, (24) doom
Cause a ghost town is found	Coming for you we're the (25) from hell
Where your city (9) to be	Step (26) for the (27) from
So out of the darkness and into the light	hell!
Sparks fly everywhere in sight
