

We are breathing

Fill in the gaps

Perfect Weapon by Black Veil Brides

	While (14) sleeping, go
Go	And leave us alone
Awake at night you focus	The lines cheating
On (1) (2) (3)	Our heart's beating, go
you	And now you're on your own
And (4) a (5) of targets	GO
Your violent lack of virtue	GO
Leave us alone	GO
You're on your own	GO
Go!	And now you're on (15) own
We are breathing	GO
While you're sleeping, go	GO
And leave us alone	And leave us alone
The lines cheating	(Ahahahahaha)
Our (6) beating, go	We are breathing
And now you're on (7) own	While (16) sleeping, go
Here's to your perfect weapon	And leave us alone
Crack (8) (9) (10)	The (17) cheating
aggression	Our heart's beating, go
Like (11) whose wings are broken	And now you're on (18) own
You (12) (13) direction	
Leave us alone	
You're on your own
