And you ask me what I (1) this year	If we all just stopped and said a prayer for them
And I try to make (2) kind and clear	So take these words
Just a chance that maybe we'll find	And (6) out loud
Better days	Cuz everyone
Cuz I don't need boxes wrapped in strings	Is forgiven now
And desire and love and empty things	Cuz tonight's the night the world begins again
Just a chance that maybe we'll find	I wish (7) was loved tonight
Better days	And somehow stop this (8) fight
So take these words	Just a chance that maybe we'll find
And sing out loud	Better days
Cuz everyone	So take these words
Is forgiven now	And sing out loud
Cuz tonight's the night the world begins again	Cuz everyone
And it's (3) simple where we could live	Is (9) now
And something only you can give	Cuz tonight's the night the world begins again
And that's faith and trust	Cuz tonight's the night the world (10) again
And peace (4) we're alive	
And the one poor child that saved (5) world	
And there's ten million more who probably could
