The Boy Does Nothing by Alesha Dixon

	Does he clean up? No, he never cleans up
I got a man with two left feet	Does he brush up? Never brushed up
And when he dances down to the beat	He does nothing, the boy does nothing
I really think that he should know	Does he wash up? Never wash up
That his rhythms go, go, go	Does he clean up? No, he never cleans up
I got a man with two left feet	Does he brush up? Never (6) up
And when he dances down to the beat	He does nothing, the boy does nothing
I really think that he should know	Work it out now
That his rhythms go, go, go	Work it, work it out now
Does he wash up? Never wash up	Do the mambo
Does he clean up? No, he never (1) up	Shake it all around now
Does he brush up? Never brushed up	Everybody on the floor
He does nothing, the boy does nothing	Let me see you clap your hands
Does he wash up? Never (2) up	I wanna see you work
Does he clean up? No, he never cleans up	I wanna see you move your body and turn
Does he brush up? Never brushed up	I wanna see you shake your hips and learn
He does nothing, the boy does nothing	I wanna see you work it, work it, work it out now, hey!
Hey boy, how you been?	I wanna see you work
I got a thousand lines, where do I begin?	I wanna see you move your body and turn
And I, I been here, been there traveling	I (7) see you shake your hips and learn
I saw you at the corner	I wanna see you work it, work it, work it out now
My vibe kicked in and	Does he wash up? Never wash up
Two fields	Does he clean up? No, he never cleans up
I clock you	Does he brush up? (8) brushed up
Wearing tight jeans	He does nothing, the boy does nothing
A (3) nice suit	Does he wash up? Never wash up
He was smiling (4) you	Does he clean up? No, he never cleans up
Was just seventeen	Does he brush up? Never brushed up
I asked him for a dance	He does nothing, the boy does nothing
He said "Yes, please"	And if the man can't dance
Take a sip of dancing juice	He gets no second chance
Everybody's onto you	And if the man can't dance
Through the left and to the right	He gets no (9) chance
Everybody hit the rhythm	And if the man can't dance
It's on tonight	He gets no second chance
I'm gonna feel the beat within my soul	
I need a man to take control	
Let the melody blow you all away	
Does he wash up? (5) wash up
