

## Fill in the gaps

## You Never Can Tell by Chuck Berry

It was a teenage wedding	The (13) (14) of the music fell
And the old folks wished `em well	"C'est la vie" say the old folks
You could see that Pierre	It (15) to show you never can tell
Did truly love the mademoiselle	They bought a souped-up jitney
And now the (1) (2) and	Was a (16) red `53
madam	And drove it (17) New Orleans
Have rung the (3) bell	To celebrate (18) anniversary
"C'est la vie" say the old folks	It was (19) where Pierre
It goes to (4) you never can tell	Was wedded to the lovely mademoiselle
They finished off an apartment	"C'est la vie" say the old folks
With a two-room Roebuck sale	It goes to show you never can tell
The coolerator was crammed	They had a teenage wedding
With TV dinners and ginger ale	And the old folks wished `em well
But (5) Pierre found work	You could see that Pierre
The (6) money comin' worked out well	Did truly (20) the mademoiselle
"C'est la vie" say the old folks	And now the (21) monsieur and madam
It goes to show you (7) can tell	Have rung the chapel bell
They had a hi-fi phono	"C'est la vie" say the old folks
Boy did (8) let it blast	It (22) to (23) you (24)
Seven (9) (10) records	can tell
All rock, rhythm, and jazz	
But (11) the sun (12) down
