White lips, pale face
Breathing in snowflakes
Burnt lungs, (1) taste
Light's gone, day's end
Struggling to pay rent
Long nights, strange men
And they say
She's in the class A team
Stuck in her daydream
Been this way since 18
But lately her (2) seems
Slowly sinking, wasting
Crumbling like pastries
And they scream
The worst things in life come free to us
'Cause we're just
Under the upper hand
And go mad for a couple grams
And she don't want to go outside tonight
A set in a set of the first of the Alexandra d
And in a pipe she flies to the Motherland
