

## Fill in the gaps

White lips, (1) face	The worst (16) in life come free to us
Breathing in snowflakes	'Cause we're just under the upper hand
Burnt lungs, sour taste	And go mad for a couple grams
Light's gone, day's end	And she don't (17) to go outside tonight
Struggling to pay rent	And in a (18) she flies to the Motherland
Long nights, strange men	Or sells love to another man
And (2) say	It's too cold outside
She's in the class A team	For angels to fly
Stuck in her daydream	An angel will die
Been this way since 18	Covered in white
But lately her (3) seems	Closed eye
Slowly sinking, wasting	And (19) for a better life
Crumbling (4) pastries	This time
And (5) scream	We'll fade out tonight
The worst things in life (6) free to us	Straight down the line
'Cause we're just	And (20) say
Under the (7) hand	She's in the class A team
And go mad for a couple grams	Stuck in her daydream
And she don't want to go outside tonight	Been this way (21) 18
And in a (8) she (9) to the	But (22) her face seems
Motherland	Slowly sinking, wasting
Or (10) love to another man	Crumbling like pastries
It's too cold outside	They scream
For angels to fly	The (23) things in life come free to us
Angels to fly	And we're all under the upper hand
Ripped gloves, raincoat	Go mad for a (24) grams
Tried to (11) and stay afloat	And we don't want to go outside tonight
Dry house, wet clothes	And in a pipe we fly to the Motherland
Loose change, bank notes	Or (25) love to another man
Weary-eyed, dry throat	It's too cold outside
Call girl, no phone	For angels to fly
And (12) say	Angels to fly
She's in the class A team	Fly, fly
Stuck in her daydream	For angels to fly
Been this way (13) 18	To fly, to fly
But (14) her (15) seems	Angels to die
Slowly sinking, wasting	
Crumbling like pastries	
And they scream
