

Fill in the gaps

Close enough to start a war
All that I have is on the floor
God only knows what we're (1) for
All that I say, you always say more
I can't keep up (2) your turning tables
Under your thumb, I can't breathe
So I won't let you close enough to hurt me
No, I won't let you, you just desert me
I can't give you
What you think you gave me
It's time to say goodbye, to turning tables
To turning tables (Ooh)
Under (3) skies I see you (Ooh)
Where the love is lost, your ghost is found
I braved a hundred storms to leave you
As hard as you try
No I will never (4) down
Coz I can't (5) up with (6) turning tables
Under your thumb, I can't breathe
I won't let you close enough to hurt me
No, I won't ask you, you to just desert me

I can't give you
What you think you gave me
It's time to say (7) to turning tables
To turning tables
Next time I'll be braver
I'll be my own savior
When the thunder calls for me
Next time I'll be braver
I'll be my own savior
Standing on my own two feet
I won't let you close enough to hurt me
No, I won't ask you, you to just (8) me
I can't (9) you
What you think you gave me
It's time to say (10) to turning tables
To turning tables
Turning tables, yeah
Turning (Ooh)
