## Losing Grip by Avril Lavigne

## Fill in the gaps

Are your (1) of what your (2)	ma faal	When I was seered
Are you (1) of what you (2)	. me reer	When I was scared
Baby		I was so alone
Right now I feel (3) to you		You, you need to listen
Like I'm not real		I'm starting to trip
Didn't you feel me lock my arms around you?		I'm losing my grip
Why'd you (4) away?		And I'm in this thing alone
Here's what I have to say		Crying out loud
I was (5) to cry there		I'm crying out loud
Waiting outside there		Crying out loud
Grinning with a lost stare		I'm crying out loud
That's (6) I decided		Open your eyes
Why (7) I care?		Open up wide
'Cause you weren't there		Why (14) I care?
When I was scared		'Cause you weren't there
I was so alone		When I was scared
You, you (8) to listen		I was so alone
I'm starting to trip		Why should I care?
I'm (9) my grip		'Cause you weren't there
And I'm in (10) thing alone		When I was scared
Am I just (11) chick you placed		I was so alone
Beside you		Why should I care?
To take somebody's place?		If you don't care, then I don't care
When you turn around		We're not going anywhere
Can you recognize my face?		Why should I care?
You used to love me		'Cause you weren't there
You used to hug me		When I was scared
But that was in the case		I was so alone
Everything wasn't okay		Why should I care?
I was left to cry there		If you don't care
Waiting (12) there		Then I don't care
Grinning with a lost stare		We're not going anywhere
That's when I decided		
Why (13) I care?		
'Cause you weren't there
