alone

Are you aware of (1) you make me feel	When I was scared
Baby	I was so alone
Right now I feel (2) to you	You, you need to listen
Like I'm not real	I'm starting to trip
Didn't you feel me (3) my arms around you?	I'm losing my grip
Why'd you turn away?	And I'm in this (9) al
Here's what I (4) to say	Crying out loud
I was left to cry there	I'm crying out loud
Waiting outside there	Crying out loud
Grinning with a lost stare	I'm crying out loud
That's (5) I decided	Open your eyes
Why should I care?	Open up wide
'Cause you weren't there	Why should I care?
When I was scared	'Cause you weren't there
I was so alone	When I was scared
You, you need to listen	I was so alone
I'm starting to trip	Why should I care?
I'm losing my grip	'Cause you weren't there
And I'm in this thing alone	When I was scared
Am I (6) some chick you placed	I was so alone
Beside you	Why should I care?
To take somebody's place?	If you don't care, then I don't care
When you turn around	We're not going anywhere
Can you recognize my face?	Why should I care?
You used to love me	'Cause you weren't there
You (7) to hug me	When I was scared
But that was in the case	I was so alone
Everything wasn't okay	Why should I care?
I was left to cry there	If you don't care
Waiting outside there	Then I don't care
Grinning with a lost stare	We're not going anywhere
That's when I decided	
Why (8) I care?	
'Cause you weren't there
