Coconut Tree by Mohombi & Nicole Scherzinger

'll always remember	That's not the case tonight
Our summer in Hawaii	You gon' make me stay
(Aloha nui loa)	You gon' make me stay
Under the coconut tree we stay	You gon' make me stay forever
Fall and crash into me (1) a wave	You gon' make me stay
You bring the fool out my groove	You gon' make me stay
Baby, use (2) tubes	You gon' make me stay forever
Make me (3) (4) my ways	Sing it to me baby, that melody
Under the coconut tree	Well, I hear the drums
You be chilling (5) me	You gon' make me stay
Making love to you in a bedford room	You gon' lep it play
Made of sand and sea	Baby, turn it up, up
No place I'd (6) be	You sound just like love
No one else I wanna please	You gon' make me stay
No one but you boo I got you	Baby, turn it up, up
Got the (7) of me	You sound just like love
(Heey-ey-ey!)	Just (18) love
Jsually I'll be gone before the morning light	(Heey-ey-ey!)
(Ooh-oh-oh!)	Usually I'll be gone before the (19) light
But you best (8) telling me	(Ooh-oh-oh!)
That's not the case tonight	But you (20) keep telling me
You gon' (9) me stay	That's not the case tonight
You gon' make me stay	You gon' make me stay
You gon' make me (10) forever	You gon' (21) me stay
You gon' make me stay	You gon' make me stay forever
You gon' make me stay	You gon' (22) me stay
You gon' (11) me stay forever	You gon' make me stay
Under the coconut tree we stay	You gon' (23) me stay forever
Natch as the night turns into day	(Heey-ey-ey!)
We let the (12) be the light	Usually I'll be (24) before the morning light
Sky is the floor tonight	(Ooh-oh-oh!)
Fly me with your gentlest way	But you best keep (25) me
Under the (13) tree	That's not the case tonight
You be chilling with me	You gon' make me stay
Making love to you in a bedford room	You gon' make me stay
Made of sand and sea	You gon' make me stay forever
No (14) I'd rather be	You gon' make me stay
No one else I wanna please	You gon' make me stay
No one but you boo I got you	You gon' make me stay forever
You got the best of me	I'll always remember
(Heey-ey-ey!)	Our (26) in Hawaii
