

Guess what (guess what)

Fill in the gaps

It's gonna be me	It's (6) be me
(Oh yeah)	It's gonna be me
You might been hurt, babe	(Oh yeah)
That ain't no lie	There comes a day
You've (1) them all come and go (oh)	When I'll be the one, you'll see
I remember you told me	It's gonna, gonna, gonna
That it (2) you (3) in	It's gonna be me
No man, no cry	All that I do is not enough for you
Maybe that's why	Don't want to lose it
Every little thing I do	But I'm not like that
Never (4) enough for you	When finally (finally)
You don't want to lose it again	You get to love
But I'm not like them	Guess what? (guess what? It's gonna be me)
Baby, when you finally	Every little thing I do
Get to love somebody	Never seems enough for you (for you babe)
Guess what	You don't want to lose it again (don't want to lose it
It's (5) be me	But I'm not (7) them
You've got no choice, babe	Baby, when you finally
But to move on, and you know	Get to love somebody (love)
There ain't no time to waste	Guess what (guess what)
So just you're just too blind, to see	It's gonna be me
But in the end, ya know it's gonna be me	Every (8) thing I do
You can't deny	Never (9) enough for you
So just tell me why	You don't want to lose it again (don't want to lose it
Every little thing I do	But I'm not like them
Never seems enough for you	Baby, when you finally (baby when you finally)
You don't want to lose it again	Get to love somebody
But I'm not like them	Guess what (guess what)
Baby, when you finally	It's (10) be me
Get to love somebody (somebody)
