It kills me not to know this
But I've all but just forgotten
What the color of her eyes were
And her scars or how she got them
As the telling (1) of age rain down
A single tear is dropping
Through the valleys of an aging face
That this world has forgotten
There is no reconciliation
That will put me in my place
And there is no time like the present
To drink these draining seconds
But seldom do these words ring true
When I'm constantly (2) you
Like (3) that we just can't break through
Until we disappear
So tell me now
If this ain't love then how do we get out?
Because I don't know
That's when she said I don't hate you boy
I just want to save you
While there's still something left to save
That's when I told her I love you girl
But I'm not the answer
For the questions that you still have
(Oooh oooh)
But the day pressed on like (4) weights
For no man does it (5) wait
Like (6) of dying days
That deafen us like hurricanes
Bathed in flames we held the brand
Uncurled the fingers in your hand
Pressed into the flesh like sand
Now do you understand?
So (7) me now

If this ain't love then how do we get out?

Because I don't know That's when she said I don't hate you boy I just want to save you While there's still something left to save That's when I told her I love you girl But I'm not the answer For the questions that you still have (Oooh oooh) One thousand miles away There's nothing left to say But so much left that I don't know We never had a choice This world is too much noise It takes me under It takes me under once again... I don't hate you I don't hate you, no So tell me now If this ain't love then how do we get out? Because I don't know That's when she said I don't hate you boy __ want to save you While there's (9)_____ something left to save That's when I told her I love you girl But I'm not the answer For the questions that you still have (Oooh oooh) I don't hate you I don't hate you (Oooh oooh) I don't hate you I don't hate you, no (Oooh oooh)
