

## Fill in the gaps

It (1) me not to (2) this	Because I don't know
But I've all but just forgotten	That's when she said I don't hate you boy
What the color of her eyes were	I just want to save you
And her scars or how she got them	While there's still something (18) to save
As the telling signs of age rain down	That's when I (19) her I love you girl
A single tear is dropping	But I'm not the answer
Through the valleys of an aging face	For the questions that you still have
That this world has forgotten	(Oooh oooh)
There is no reconciliation	One thousand miles away
That will put me in my place	There's nothing left to say
And (3) is no (4) like the present	But so much left that I don't know
To (5) (6) draining seconds	We never had a choice
But (7) do these words ring true	This (20) is too much noise
When I'm constantly (8) you	It takes me under
Like walls that we just can't break through	It (21) me (22) once again
Until we disappear	I don't hate you
So (9) me now	I don't (23) you, no
If (10) ain't love then how do we get out?	So tell me now
Because I don't know	If (24) ain't love then how do we get out?
That's (11) she said I don't hate you boy	Because I don't know
I just (12) to (13) you	That's (25) she said I don't (26) you boy
While there's still something left to save	I just want to (27) you
That's when I told her I love you girl	While there's still something left to save
But I'm not the answer	That's when I told her I love you girl
For the (14) that you (15)	But I'm not the answer
have	For the questions that you still have
(Oooh oooh)	(Oooh oooh)
But the day pressed on like crushing weights	I don't hate you
For no man does it ever wait	I don't hate you
Like memories of dying days	(Oooh oooh)
That deafen us like hurricanes	I don't hate you
Bathed in flames we held the brand	I don't hate you, no
Uncurled the fingers in your hand	(Oooh oooh)
Pressed (16) the (17) like sand	
Now do you understand?	
So tell me now	
If this ain't love then how do we get out?
