

Fill in the gaps

Break through the undertow	Breathe
Your (1) I can't (2) to find	The air we give
Pollution burns my tongue	The (19) we live
Cough words I can't speak so I	Our pulses racing distances
Stop my struggling	So wet my tongue
Then I (3) to the surface	Break into song
Fill my lungs with air	Through seas of competition
Then let it out	So please (20) eyes
give it all	A sacrifice
Now there's a reason why I sing	Is not (22) we had in our minds
So give it all	I'm coming (23) tonight
And it's (4) to	Home tonight
me	We give it all
Rock bottoms (6) we live	Now there's a reason why I sing
And still we dig (7) trenches	So give it all
To bury ourselves in them	And it's (24) reasons (25) belong to
Backs (8) (9) tension	me
For far too (10) (11) voices	Today I offer all myself to (26) I'm
Muffled by distances	(27) for my dying wish
t's (12) to come to our senses	I give it all
Jp from the dirt	Now there's a reason
Ne give it all	There's a reason
Now (13) a reason why I sing	To give it all
So (14) it all	
And it's (15) (16)	
(17) to me
