

Fill in the gaps

Do you remember a guy that's been	I'm happy, (14) you're happy, too
In such an (1) song?	One flash of light but no smoking pistol
I've heard a rumour from ground control	I've never done good things
Oh no, don't say it's true	I've never (15) bad things
They got a message from the action man	I never did anything out of the blue (woh-o-oh)
I'm happy, hope you're happy, too	Want an axe to break the ice
I've (2) all I've needed love	Wanna come (16) (17) now
Sordid (3) following	Ashes to ashes, funk to funky
The (4) of nothing is	We know Major Tom's a junkie
(5) just	Strung out in heaven's high
Pictures of Jap girls in synthesis and I	Hitting an all-time low
Ain't got no (6) and I ain't got no hair	My mother said: "to get things done
But I'm hoping to kick	You'd (18) not mess (19) Majo
But this (7) is glowing, glowing, glowing	Tom"
Ashes to ash and funk to funky	My mother said: "to get things done
We (8) Major Tom's a junkie	You'd better not mess with Major Tom"
Strung out in heaven's high	My mother (20) "to get things done
Hitting an all-time low	You'd better not mess with (21) Tom"
Time and again, I tell myself	My (22) said: "to get things done
I'll (9) clean tonight	You'd (23) not mess with (24)
But the (10) green (11) are	Tom"
(12) me	My (25) said
Oh no, not again	
I'm (13) with a valuable friend
