

## Fill in the gaps

My gift is my song	So excuse me for forgetting
And this one's for you	But (13)
And you can tell everybody	You see I've forgotten
That this is your song	If they're (15) or they're blue
It (1) simple	Anyway the thing is (16) I really mean
But now (3) it's done	Yours are the sweetest eyes I've (17) seen
Hope you don't mind	And you can tell everybody
I (4) you don't mind	This is (18) song
That I put (5) in words	It may be quite simple
How wonderful (6) is now you're in the world	But now that it's done
Sat on the roof	I hope you don't mind
And I (7) off the moss	I (19) you don't (20) (21) I
Well some of the (8) well	put down in words
They got me (9) cross	How wonderful life is now you're in the world
But the sun's (10) kind	I hope you don't mind
While I (11) (12) song	I hope you don't mind that I put (22) in words
It's for people like you that	How (23) (24) is now
Keep it turned on	you're in the (25)
