We might find our place in (6)_____ world someday

Fill in the gaps

Gotta Go My Own Away by High School Musical 2

I gotta say what's on my mind		But at least for now			
Something about us		I gotta go my own way			
Doesn't seem right these days		What about us?			
Life keeps getting in the way		What about everything we've been through?			
Whenever we try (1)	the plan	What about trust?			
ls always rearranged		You know I never wanted to hurt you			
It's so hard to say		What about me?			
But I gotta do what's best for me		What am I supposed to do?			
You'll be okay		I gotta leave but I'll miss you			
I've got to move on, and be who I am					
I just don't belong here		So I've got to move on,	So I've got to move on, and be who I am		
I hope you understand		(Why do you have to go)			
We might (2) our place in this (3)		I just don't belong here			
someday		I hope you (7) (trying to understa		(trying to understand)	
But at least for now		We might find our place in this world someday			
I (4) go my own way		But at least for now (I want you to stay)			
Don't wanna leave it all behind		I gotta go my own way			
But I get my (5) up		I've got to move on, and be who I am			
And I watch them fall every time		(What about us?)			
Another color turns to grey		I just don't belong here			
And it's just too hard to watch it all		I (8) you understand (trying to understand)			
Slowly fade away		We might (9)	our place in this	s world someday	
I'm leaving today		But at least for now			
Cause I gotta do what's best for me		I gotta go my own way			
You'll be okay		I've gotta go my own way			
I've got to move on, and be who I am		I've gotta go my own way			
I just don't belong here					
I hope you understand
