Fill in the gaps

Gotta Go My Own Away by High School Musical 2

I (1) say what's on my mind	But at least for now
Something about us	I gotta go my own way
Doesn't seem (2) (3) days	What about us?
Life keeps getting in the way	What about everything we've been through?
Whenever we try (4) the plan	What (16) trust?
Is (5) rearranged	You know I (17) wanted to (18) you
It's so hard to say	What about me?
But I gotta do what's (6) for me	What am I supposed to do?
You'll be okay	I gotta leave but I'll miss you
I've got to (7) on, and be who I am	
I just don't belong here	So I've got to (19) on, and be who I am
I hope you understand	(Why do you have to go)
We might find our (8) in this world someday	I just don't belong here
But at least for now	I hope you understand (trying to understand)
I gotta go my own way	We might (20) our place in this world someday
Don't wanna leave it all behind	But at least for now (I want you to stay)
But I get my hopes up	I gotta go my own way
And I (9) them fall every time	I've got to (21) on, and be who I am
Another color (10) to grey	(What (22) us?)
And it's just too hard to (11) it all	I (23) don't belong here
Slowly (12) away	I (24) you understand (trying to understand)
I'm leaving today	We might find our place in this world someday
Cause I gotta do what's best for me	But at least for now
You'll be okay	I gotta go my own way
I've got to (13) on, and be who I am	I've (25) go my own way
I (14) don't belong here	I've gotta go my own way
I hope you understand	
We (15) find our place in this world someday	y
