## The River (Live) by Bruce Springsteen

## Fill in the gaps

	For the Johnstown Company
come from down in the valley	But lately there ain't been no work
Where mister when you're young	On (4) of the economy
They bring you up to do	Now all them (5) that (6) so
Like your daddy done	important
Me and Mary we met in high school	Well mister they vanished right into the air
When she was just seventeen	I just act like I don't remember
We'd drive out of this valley	Mary acts like she don't care
Down to where the fields were green	But I remember us riding in my brother's car
Ne'd go down to the river	Her body tanned and wet down at the reservoir
And into the river we'd dive	At night on them banks I'd lie awake
(Oh oh) down to the river we'd ride	And pull her close just to feel each breath she'd take
Then I got Mary pregnant	Now the memories come back to haunt me
And man that was all she wrote	They (7) me like a curse
And for my nineteenth birthday	Is a (8) a lie if it don't (9) true
got a union card and a (1) coat	Or is it something worse
We went down to the courthouse	That sends me down to the river
And the judge put it all to rest	Though I know the river is dry
No wedding day smiles	(Oh oh) down to the river tonight
No walk down the aisle	
No flowers, no (2) dress	Down to the river
We went down to the river	My baby and I
And into the river we'd dive	(Oh oh) down to the river we ride
(Oh oh) (3) to the river we'd ride	
got a job working construction
