

So let there be love

Fill in the gaps

If you have (1) to tell me	So let there be love
Of how you (2) inside	'Cause it's everything we need
I hope it is love	It's like the air that we breathe
If you have a single question	And I (7) nothing can replace in
I want it to be this	It's always leaving traces
Can you feel the love?	Let there be love
Tell me now	Let there be love
So I know	Let there be love
Why it (3) you feel alive	Everything we need
Why it hurts to say goodbye	Let there be love
Why you'll never ever lose	Let there be love
What is meant to be with you	Let there be love
So let (4) be love	Everything we need
So let there be love	I hope it's love
Sometimes you can (5) a whole life	'Cause it's everything we need
In just a single day	It's like the air that we breathe
Let the minutes flow	And I know nothing can replace it
When you hear another heartbeat harmonizing	It's always leaving traces
Yours and you will know	Let there be love
It's the feeling of	Let there be love
Something more	Let there be love
An open door	Everything we need
It will make you feel alive	I hope it's love
It will hurt to say goodbye	I hope it's love
But you'll (6) ever lose	
What is meant to be with you
