

On what you mean to me?

Don't answer me

Fill in the gaps

Don't break the silence

Don't Answer Me (Live) by The Alan Parsons Project

If you believe in the (1) of magic	Don't let me win
I can change your mind	Don't answer me
And if you need to believe in someone	Stay on your island
Turn and (2) behind	Don't let me in
When we were	Run away and hide from everyone
Living in a dream world	Can you change the things we've said and done?
Clouds got in the way	Don't answer me
We gave it up in a moment of madness	Don't break the silence
And threw it all away	Don't let me win
Don't answer me	Don't (5) me
Don't break the silence	Stay on your island
Don't let me win	Don't let me in
Don't answer me	Run away and (6) from everyone
Stay on your island	Don't answer me
Don't let me in	Don't break the silence
Run away and hide from everyone	Don't let me win
Can you change the things we've said and done?	Don't answer me
If you believe in the (3) of magic	Stay on your island
It's all a fantasy	Don't let me in
So if you need to believe in someone	Run (7) and hide from everyone
Just pretend it's me	Can you change the (8) we've said and done?
It ain't enough that we meet as strangers	Don't answer me
I can't set you free	Don't answer me
So (4) you	Don't answer me
Turn your back forever
