

## Fill in the gaps

	And I was overwhelmed and (6)	scared as
On the other side of a (1) I knew	hell	
Stood a girl that looked like you	Because I (7) fell for you	
I guess that's deja vu but	(Oh) I (8) to you	
I thought this can't be true 'cause	I'll be there for you	
You moved to west L.A. or	This is not a drive by	
New York or Santa Fe or	Just a shy guy looking for a two-ply	
Wherever to get away (2) me	Hefty bag to hold my love	
(Oh) but that one night	When you move me everything is groovy	
Was more than just right	They don't like it sue me	
I didn't leave you 'cause I was all through	(Mmm) the way you do me	
(Oh) I was overwhelmed	(Oh) I swear to you	
And frankly scared as hell	I'll be there for you	
Because I (3) (4) for you	This is not a drive by	
(Oh) I swear to you	Please believe	
I'll be there for you	That when I leave	
This is not a drive by	There's nothing up my sleeve but love for you	
Just a shy guy looking for a two-ply	And a little time to get my head together too	
Hefty bag to hold my love	On the other side of a street I knew	
When you move me everything is groovy	Stood a girl that looked like you	
They don't like it sue me	I guess that's deja vu	
(Mmm) the way you do me	But I thought this can't be true 'cause	
(Oh) I swear to you	(Oh) I swear to you	
I'll be there for you	I'll be there for you	
This is not a drive by	This is not a drive by	
On the (5) side of a downward spiral	Just a shy guy looking for a two-ply	
My love for you went viral	Hefty bag to (9) my love	
And I loved you every mile you drove away	When you move me everything is groovy	
But now here you are again so	They don't like it sue me	
Let's skip the "how you been" and	(Mmm) the way you do me	
Get down to the "more than friends" at last	(Oh) I swear to you	
(Oh) but that one night	I'll be there for you	
Is still the highlight	This is not a drive by	
I didn't need you until I came to
