

## Fill in the gaps

	And I was overwhelmed and frankly scared as hell
On the other side of a (1) I knew	Because I really fell for you
Stood a girl that (2) like you	(Oh) I swear to you
I guess that's deja vu but	I'll be there for you
I thought this can't be true 'cause	This is not a drive by
You moved to west L.A. or	Just a shy guy looking for a two-ply
New York or Santa Fe or	Hefty bag to hold my love
Wherever to get away from me	When you move me everything is groovy
(Oh) but (3) one night	They don't like it sue me
Was more than just right	(Mmm) the way you do me
I didn't leave you 'cause I was all through	(Oh) I swear to you
(Oh) I was overwhelmed	I'll be (13) for you
And (4) scared as hell	This is not a (14) by
Because I (5) fell for you	Please believe
(Oh) I swear to you	That when I leave
I'll be there for you	There's nothing up my sleeve but love for you
This is not a drive by	And a little time to get my head together too
Just a shy guy looking for a two-ply	On the other (15) of a street I knew
Hefty bag to (6) my love	Stood a girl that looked (16) you
When you move me everything is groovy	I guess that's deja vu
They don't like it sue me	But I thought (17) can't be true 'cause
(Mmm) the way you do me	(Oh) I swear to you
(Oh) I (7) to you	I'll be there for you
I'll be (8) for you	This is not a drive by
This is not a (9) by	Just a shy guy looking for a two-ply
On the other side of a downward spiral	Hefty bag to hold my love
My love for you (10) viral	When you move me everything is groovy
And I loved you every mile you drove away	They don't (18) it sue me
But now here you are (11) so	(Mmm) the way you do me
Let's (12) the "how you been" and	(Oh) I swear to you
Get down to the "more than friends" at last	I'll be there for you
(Oh) but that one night	This is not a drive by
Is still the highlight	
I didn't need you until I came to
