I don't know who to trust, no surprise	Just takes so much out of me
Everyone it feels so far away (1) me	Take everything from the inside
Heavy thoughts sift through dust, and the lies	And throw it all away
Trying not to break but I'm so tired of this deceit	Cause I swear for the last time
Everytime I try to make myself	I won't (7) myself with you
Get back up on my feet	I won't waste myself on you
All I ever think (2) is this	You
All the tiring time between	You
And how I try and I put my trust in you	Waste myself on you
Just takes so much out of me	You
Take everything from the inside	You
And throw it all away	l'll Take (8) (9) the
Cause I swear for the last time	inside
I won't trust myself with you	And throw it all away
Tension is building inside, steadily	Cause I swear for the last time
Everyone feels so far (3) from me	I won't trust myself with you
Heavy thoughts forcing their way out of me	Everything from the inside
Trying not to break but I'm so (4) of	And just throw it all away
(5) deceit	Cause I swear for the last time
Everytime I try to make myself	I won't trust myself with you
Get back up on my feet	You
All I ever think about is this	You
All the (6) time between	
And how I try and I put my trust in you
