

## Fill in the gaps

I don't know who to trust, no surprise		Just takes so (6) out of me
Everyone it feels so far away from me		Take everything (7) the inside
Heavy thoughts sift through dust, and the lies		And throw it all away
Trying not to break but I'r	n so (1) of this deceit	Cause I swear for the last time
Everytime I try to (2) myself		I won't trust myself with you
Get back up on my feet		I won't waste myself on you
All I ever think about is this		You
All the tiring time between		You
And how I try and I put my trust in you		Waste myself on you
Just takes so much out of me		You
Take (3)	from the inside	You
And throw it all away		I'll Take everything (8) the inside
Cause I (4) for the last time		And throw it all away
I won't trust myself with you		Cause I swear for the last time
Tension is building inside, steadily		I won't trust myself with you
Everyone feels so far away from me		Everything from the inside
Heavy thoughts (5)	their way out of me	And just (9) it all away
Trying not to break but I'm so tired of this deceit		Cause I swear for the (10) time
Everytime I try to make myself		I won't trust myself with you
Get back up on my feet		You
All I ever think about is this		You
All the tiring time between		
And how I try and I put my trust in you
