Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ wings of white-flamed
(2)_____ in my brain
These ideas of mine (3)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit (4)_____ the skin
I can't fit the (5)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she (6)_____ of me?
That I'm not (7)_____ I ought to be
That I'm what I try not to be
It's got to be (8)_____ else's fault
I can't get caught
If (9)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (10)_____ and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I (11)_____ (12)_____ to (13)_____ everything
I just want to feel everything
I just (14)_____ to (15)_____ everything
So I'm (16)_____ try to be still now
Gonna renounce the mill a little while and
If we had a double king size bed
We (17)_____ (18)_____ in it and I'd soon forget
If (19)_____ I am is (20)_____ I am, 'cause I does
what I does
And maybe I'd relax, let my breast just (21)_____ open
My heart's made of (22)_____ of all that's
(23)_____ me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And (24)_____ single fight's alright (25)_____ my
brain
I (26)_____ want to feel everything
I just want to feel everything
I just want to feel everything
I just want to feel everything
