Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit (1)_____ the skin
I can't fit the feelings in, no
Every (2)_____ night's a (3)_____
(4)_____ my brain
What do I say to her?
Why do I say it to her?
What (5)_____ she (6)_____ of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be (7)_____ else's fault
I can't get caught
If (8)_____ I am is what I am, 'cause I (9)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (10)_____ and heart is the yolk
And I (11)_____ (12)_____ a meal for us both to
choke on

Every single night's a (13)_____ with my brain
I just want to (14)_____ everything
I just (15)_____ to feel everything
I just want to (16)_____ everything
So I'm (17)_____ try to be (18)_____ now
Gonna renounce the mill a little while and
If we had a double king (19)_____ bed
We (20)_____ move in it and I'd soon forget
If (21)_____ I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast just bust open
My heart's made of parts of all that's around me
And that's why the devil (22)_____ can't get around me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
I just want to (23)_____ everything
I just want to (24)_____ everything
I just want to feel everything
I just (25)_____ to feel everything
