Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of (2)_____ (3)_____ the
mind
Trickle (4)_____ the spine
Swarm the belly, swelling to a blaze
That's when the (5)_____ (6)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the (7)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (8)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (9)_____ I am, 'cause I does
(10)_____ I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (11)_____ is the yolk
And I just (12)_____ a meal for us both to choke on

Every single night's a fight (13)_____ my brain
I just want to feel everything
I just (14)_____ to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the (15)_____ a little while and
If we had a double king size bed
We could move in it and I'd soon forget
If (16)_____ I am is what I am, 'cause I does
(17)_____ I does
And maybe I'd relax, let my breast (18)_____
(19)_____ open
My heart's made of parts of all that's around me
And that's why the devil (20)_____ can't get around me
Every (21)_____ night's alright
Every single night's a fight
And every (22)_____ fight's alright (23)_____
my brain
I just (24)_____ to feel everything
I just (25)_____ to feel everything
I just want to (26)_____ everything
I just want to feel everything
